Revision:

**A**

**Declaration of Identity:**

The preparation

**NIGHT CLEANER**

distributed by company E.M.S. Electro Medical Systems S.A., is a cleaning and disinfection solution ready for use for the water lines of all EMS AIRFLOW devices. Its formulation is identical with the ALPRO preparation **Bilpron**.

The manufacturing, filling and packaging of NIGHT CLEANER and Bilpron is executed at ALPRO under equal conditions and are subject to the implemented QM system according to DIN EN ISO 13485:2016.

Thus, a direct transferability of clinical data, material tests, approvals and application recommendations is given.
